Cutwater Logo 3 - C Thickness Variations

Exploring different stroke weights for the C element

Original

C Stroke Width:
3px

The baseline
design with
balanced
proportions
between the C
curve and balance
line.

Variation 3a

C Stroke Width:
4px

Moderately thicker
C creates stronger
visual presence
and improved
visibility at small
sizes.

Variation 3b

C Stroke Width:
5px

Bold C provides
maximum impact
and authority. Ideal
for hero sections
and large displays.
